**Action taken by: Paul L. Gretch, Director

XX Authority granted is consistent with the aviation agreements between the United States and Finland, the United States and Pakistan, and the United States and Singapore.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated: **XX** **Holder's certificate of public convenience and necessity**

XX **Standard Exemption Conditions (attached)**

On the basis of data officially noticeable under Rule 24(n) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) immediate action was required and was consistent with Department policy; (2) grant of the exemption was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

(See Reverse Side)

This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
